SENATOR MARSH: With this much conversation, Mr. President, on the bill, I request that we bracket this until Monday so some of the answers which have been raised on the legislative floor can be answered to our satisfaction. Apparently, there are not enough votes to pass it at this time so I would like some answers before we vote on it on Final Reading.

PRESIDENT: Senator Kennedy, could you direct your matter to the question of bracketing.

SENATOR KENNEDY: Very briefly, I will not object bracketing until Monday and I would request all of those interested to please with Dr. Jack Rodgers. I have depended upon him and his legal background, and if you have any questions, let's settle it and let's vote on it Monday. It isn't that important but it is important that we pass it and that everybody is satisfied. We've turned it over to the lawyer so again I would say visit with Dr. Jack Rodgers on the bill. I am concerned that it should be passed correctly but certainly we shouldn't limit it. So thank you, Shirley, and I will agree to bracketing.

PRESIDENT: The question is, shall the bill be bracketed? All right. Are you asking for unanimous consent, first? All right. Is there an objection to bracketing the bill until Monday. Seeing none, it is so ordered.

CLERK: LB 418, Mr. President. Motion on the desk.

PRESIDENT: Read the motion.

CLERK: I move to return LB 418 for specific amendment. The specific amendment is found on Page 1197 of the Legislative Journal. It was offered by Senator Barnett on that date, April 8th. It was voted on on April 14th on Page 1261 of the Legislative Journal and failed.

PRESIDENT: The motion is out of order. I think you have to move to reconsider that. That motion was considered at that time and turned down?

CLERK: The amendment, Mr. President, was printed in the Journal on April 8th on Page 1197 and was voted on on April 14th on Page 1261 and at that time it failed.

PRESIDENT: This is tantamount to a motion to reconsider. Well, I don't think you are in time on a motion to reconsider. Senator Barnett, in effect, isn't this...

SENATOR BARNETT: Just let it go.

PRESIDENT: All right.

CLERK: Mr. President, another motion on the desk. I move to return LB 418 to Select File and strike the enacting clause. Signed Senator F. Lewis.

PRESIDENT: The Chair recognizes Senator Frank Lewis.

SENATOR F. LEWIS: Mr. President, we have dealt with this
